

WEDDING POLICY

 VILLAGE CHAPEL

MARRIAGE

Marriage is an institution created by God for a man and a woman to become husband and wife for as long as they both shall live. As such, we at Village Chapel want to ensure that any couple we marry is set up for a successful and lasting marriage. Ultimately, that is dependent upon those making the vows, but we approach our role with a profound sense of responsibility.

REQUIREMENTS

1. The couple must complete 4 weeks of pre-marital counseling with a Village Chapel pastor.
2. The Village Chapel pastor conducting the wedding may require you to read recommended books to complement the pre-marital counseling.
3. There is a base fee for a pastor to conduct the wedding of \$250. This fee factors in rehearsal, ceremony, and pre-marital counseling. Additional fees include travel expenses and tux rentals (if required).
